## EXPERIENCE

### Project Manager NSI-SA

Braine l'Alleud, Belgium  
30/08/2020 - 28/02/2021

- Project management (Jira), functional analysis of internet and extranet websites (Drupal and Sharepoint), document and contact management tools (.Net) as well as testing and training.

### Project Manager Organica

Brussels, Belgium  
19/02/2019 - 30/08/2020

- Project management, functional analysis of ERP tools, databases, internet and extranet websites (4D) for professional associations as well as testing, training and account management.

### Translator and Interpreter Freelance

Brussels, Belgium  
01/10/2016 - 01/12/2018

- My areas of work included healthcare, law, education and sports. I managed to build a faithful client base consisting of private clients, courts of justice and translation agencies.

### Teacher APJA (Mons), PromSoc Mons-Borinage, EPFC (Brussels)

Mons and Brussels, Belgium  
01/09/2015 - 30/06/2018

- Teaching of English and Russian at different levels, including adult education.

### Marketer ERTMS Solutions

Brussels, Belgium  
15/09/2014 - 30/08/2015

- Market segmentation, social media and website management, project management, event organisation, prospection on the Eastern European and Russian markets.
