🌍 Herlinval 100, 6980 La Roche

🎂 18 Février 1990

Core skills

- NOC (Zabbix)
- SIEM (Splunk, Wazuh, QRadar)
- Active Directory
- Firewall (Fortigate, Pfsense)
- VPN
- Virtualisation (VMWare)
- Open-Source (RHEL, Kali, Kaizen)
- NIS2 compliance / Audit

SoftSkills

Remains calm in the event of alerts or challenging situations

Enjoys learning new things

Easily integrates into new teams

Analytical and critical thinker

Langue

Anglais - B2

Français - Langue maternelle

About me

My studies and previous experiences have helped me develop an analytical mindset. Through my recent trainings I also learned to prevent risk situations, assess events and alerts, respond appropriately and lately some affinities with law and framework such as NIS2 which i'd like to see more of.

Formations & Etudes

2024 - 2025 Technobel (Ciney)- Cybersecurity Training focused on SecOps
